Why Attend?

The Prime Minister has announced plans to begin easing the restrictions imposed to combat the spread of COVID-19.

Over the next few months, it is likely that a phased relaxation of the restrictions may take place depending on the UK's success in combatting the virus.

Employers face critical decisions on how to provide employees with safe working conditions and observe social distancing.

This webinar reviews the Government's plans and offers practical guidance for member companies in relation to a range of different working environments.

Who should attend?

Designed for decision makers having to create and implement safe and practical, working practices and procedures in line with Government restrictions.

The webinar provides BASIC guidance on the safe return to work after the COVID-19 lockdown and cover practical processes and procedures for:

- ◆ *Offices*
- ◆ *Vehicles*
- ◆ *Factories, Plant and Warehouses*
- ◆ *Outdoor areas*
