Why Attend?

The Prime Minister has announced plans to begin easing the restrictions imposed to combat the spread of COVID-19.

Over the coming weeks, it is likely that a phased relaxation of the restrictions may take place depending on the UK's ongoing success in combatting the virus.

Employers face critical decisions on how to provide employees with safe working conditions and observe social distancing.

This webinar specifically reviews the Government's plans and offers practical risk assessment and management guidance for office only organisations in relation to a range of different working environments.

Who should attend?

Designed for decision makers having to create and implement safe and practical office working practices and procedures in line with Government restrictions.

This webinar provides guidance on the safe return to work after the COVID-19 lockdown and cover practical processes and procedures for:

- ◆ Risk assessment
- ◆ Entry and exit procedures
- ◆ Travelling to and from work
- ◆ Travelling for work
- ◆ Meetings
- ◆ Face coverings
- ◆ First aid provisions
- ◆ Workstation layouts
- ◆ Emergency evacuation
- ◆ Contractors
- ◆ Air conditioning systems
- ◆ Parcel deliveries
- ◆ Test and Trace
