

MEMBER ENGAGEMENT DAY

Tuesday 15th February 2022

9.45am – 4.00pm

Online – Free of Charge

In Person (Crewe, Cheshire) – £20.00 + VAT per person**

STOP THE PRESS... Our traditional 'Regional Regulatory Compliance Update' meetings have had a make-over...! Say 'Hello' to our new 'Member Engagement Days' which will be run three times a year and are designed to appeal to a wider audience (not just the technical 'bods'!)

The morning talks will cover a variety of topics (different every time), not only aimed at letting you know what we have been doing to support your business but also covering other hot topics of interest at that time. None of these presentations will be of a highly technical nature

For those of you attending online, the morning session has been strictly timed so that you can 'dip in' to the subjects that you want to see and 'dip out' of those that you don't

In the afternoon, we get technical... and this session will follow the same format as our previous regional meetings providing up-to-date information on general regulatory topics past, present and future to help keep you 'ahead of the curve'. The Responsible Care Nucleus meeting has not been lost but instead is now spread out throughout the day with relevant topics being discussed as and when necessary. No fixed timings are given for the afternoon as the specific topics will depend upon the latest information and issues at that time

Time	Provisional Agenda <i>(subject to change)</i>
09:45	Introduction
10:00	CBA Activity and Update
10:30	BREAK
10:35	Supply Chain: Is the perfect storm over?
11:05	BREAK
11:10	Climate Change: How you can make a difference
11:40	BREAK
11:45	Launch of CLP Hub
12:15	LUNCH
13:00 – 16:00	Open Technical Forum – A round up of the latest regulatory and Responsible Care updates providing information across a wide range of subjects

** Subject to Covid-19 guidelines

More information will follow nearer the date and look out for our exciting guest speakers. Don't miss out, book your place(s) now using the attached booking form and return it to events@chemical.org.uk We look forward to seeing you soon
