

# **How traceability can reduce risk & improve compliance**

**'Online Clinic'**

**17<sup>th</sup> May 2023**

**12:00 -13:00**

**Free of Charge – Members and Non-Members**

Thinc work with several companies in the Chemical industry including Alfa Chemicals and Stort Chemicals. We help businesses reduce their reliance on manual administrative tasks, improve their traceability, automate their warehouse operations, make more informed decisions from their data, and scale their business without having to hire unnecessarily.

## Agenda:

1. Challenges that we're seeing in the industry
2. Specific challenges that our customers are facing
3. Some actionable tips people can take-away
4. Options for how they can automate this process

## The Presenters

- Adam Shilton - Senior Advisory Consultant - Thinc
- James Peel - Senior Technical Consultant - Thinc
