The IMDG Code was developed as an international code for the maritime transport of dangerous goods in packaged form, in order to enhance and harmonize the safe carriage of dangerous goods and to prevent pollution to the environment.

This workshop is aimed at those who have a duty under IMDG.

The workshop provides a basic insight into aspects of IMDG regulations including:

Classification – overview

Packaging and packing instructions

Marking and labelling of packages

Marking and placarding of containers and vehicles

Segregation

Documentation

Presented in association with

To book your place on this event, please complete the form overleaf & email it to events@chemical.org.uk
