This workshop will provide an essential guide to an important area of international trade. The workshop looks at the main elements of claiming preference at import and/or issuing preference documents, applying for Approved Export Status and issuing supplier declarations as exporters. Exercises during the day will emphasise the rules and new regulations concentrating on chemical products under UK Free Trade Agreements and requirements of a HMRC audit. The workshop will include an up-date on the changes to UK DCTS origin rules for UK importers.

Course Framework

- *Origin rules explained*
- *The background to UK preferences*
- *The rules for preferential origin for chemical products*
- *Legal issues:*
 - *Export declarations*
 - *Supplier's declarations*
 - *Claiming preference at import, supplier statements or importer's knowledge*
- *Working with HMRC and preparing audit evidence*
- *The Developing Countries Trading Scheme (DCTS)*
