

LIFETIME ACHIEVEMENT AWARD

This award will be presented to a person who has been active within your company or the wider chemical supply chain community for 20 years or more. It aims to recognise their contributions over their whole career, rather than or in addition to a single contribution. They should have given outstanding service, demonstrated high quality and sustained commitment to your company and/or the wider chemical supply chain and best represents achievement and longevity. This may be through outstanding leadership characteristics, business excellence achievements, inspiring and helping others to achieve a similar success or an unsung hero who works quietly in the background but who is an integral lynchpin of the business

This contribution might be evidenced through feedback from colleagues, suppliers or customers for example

How to Enter

To enter this award simply describe (in less than 750 words) why you are nominating this person and their achievements over the last 20+ years. The judges will be looking for details such as:

- This person may not necessarily be in a senior position but will be recognised for their dedication to the industry, their contribution to their employer's business and held in esteem by their peers
- They will have demonstrated exceptional service / leadership over a significant period of time. This award is for lifetime achievement rather than a single contribution
- Shown a clear commitment to working within the chemical industry
- Examples of going 'above and beyond' that results in an outstanding performance
- A consistent application of good practice
- Promoted excellence within your organisation and to the wider industry
- Displayed a wisdom and depth of service / leadership that has made a significant difference to individuals or groups within your organisation or the wider industry

– Why they should win the award

In addition to a 750 word submission, we encourage you to include any supporting material, pictures, and testimonials that you believe will help the judges.
