The UK chemical sector is a major contributor to the UK economy, generating **£65.5bn** and **£21.8bn GVA**. This sector plays a crucial role in society, the economy, and sustainability, often going unrecognised.

Are you ready to take your sustainability efforts to the next level? The CBA Net Zero and Compliance Day is your opportunity to connect with industry leaders, learn about the latest trends, and gain practical insights into achieving Net Zero in the UK chemical supply chain.

This one-day event is packed with engaging keynote presentations, interactive workshops, and in-depth panel discussions that will provide you with the tools and knowledge needed to navigate the complexities of sustainability. From securing grants for green initiatives to understanding the latest regulatory and legislative requirements, this event covers all aspects of sustainability compliance and innovation.

Act Fast! We are offering only **50 tickets** for this exclusive event. Secure your spot today to ensure you don't miss out on this invaluable opportunity!

Why Attend?

- ✓ **Expert Insights:** Hear from renowned sustainability experts on how to achieve Net Zero and stay compliant with current regulations.
- ✓ **Interactive Learning:** Participate in workshops that explore new technologies and best practices for sustainable supply chain management.
- ✓ **Networking Opportunities:** Connect with peers, industry leaders, and regulatory bodies to share experiences and build valuable relationships.
- ✓ **Up-to-Date Information:** Stay informed on the latest regulatory and legislative requirements affecting the UK chemical industry.
- ✓ **Future-Focused:** Gain insights into upcoming trends and innovations that will shape the future of sustainability in the chemical sector.
