Hybrid: Online/Crewe

Member Rates		Non-Member Rates	
Online	£120 + VAT	Online	£250 + VAT
In Person	£140 + VAT	In Person	£300 + VAT

The UK left the European Union at the end of 2020 with the UK REACH regulation being enacted into UK law. Since then, it has been subject to a number of deadlines for action, revisions to legal aspects and a myriad of guidance following questions raised by industry. There is still a large degree of confusion as to what to do and how to do it.

The first registration deadline for companies within UK REACH is the 27th October 2026 and will require companies to fulfil their registration obligations to continue to trade in a substance. The next deadlines follow in 2028 and 2030, so it is key that companies understand their obligations, agree a 'way forward' and prepare accordingly.

This seminar will provide a **basic level of information** to help refresh knowledge and provide a snapshot of where we are or to provide 'new' knowledge to those entering REACH for the first time.

It is aimed at all levels within a company as REACH is not just restricted to technical departments within organisations.

The workshop provides an update as to the current state of play of the UK REACH. It will focus on the following topics:

- ◆ **REACH background**
 - The Rationale
 - The History
- ◆ **REACH process**
 - Notification
 - Registration
 - Authorisation
 - Restriction
- ◆ **Impacts and issues**
- ◆ **CLP and SDS**
 - Basic issues
- ◆ **How to prepare**

To book your place on this event, please complete the form overleaf & email it to events@chemical.org.uk

REACH Refresher and update

16TH SEPTEMBER 2026 (10:00 – 15:30)

Online / Crewe
